SRC Meeting Updates
Meeting Date: September 9, 2019

The report includes information about:
- New Editions or Updates of Standards used for Product Listing
- Links to the Summaries of Changes for Standards Developed by Other SDO’s
- IAPMO Industry and IAPMO National Standards
- First Adoption of Standards
- Standards Posted for 20-Day Public Review
- Reinstatement of Standards
- Withdrawn Standards
- Additional Updates

IAPMO Standards can be purchased through the IAPMO Online Store (Standards Store). Other SDO standards can be purchased through standards distribution sites including (ANSI Webstore, IHS Market Standards Store, and Techstreet Store).

New Editions or Updates of Standards used for Product Listing:
The new editions or updates of currently adopted standards for product listing from the SRC meeting are listed in Table 1 below.

<table>
<thead>
<tr>
<th>Previous Edition</th>
<th>Current Edition</th>

</table>
IAPMO Standards and the strikeout showing the changes between editions are available at the IAPMO Online Store which can be accessed through the following link: [Standards Store](#).

**Links to the Summaries of Changes for Standards Developed by other SDO’s**

The summary of the changes for standards developed by other SDO’s that have current listings can be accessed through the link below or downloaded from the website at: [http://www.iapmo.org/standards-development/summary-of-changes](http://www.iapmo.org/standards-development/summary-of-changes)

- [Summary of Changes - ASTM F2618 (2015-2019)](#)
- [Summary of Changes - AWWA C904 (2006-2016)](#)

**IAPMO Industry and IAPMO National Standards:**

The following new editions or updates of IAPMO standards were published:

- **(b)** IAPMO IGC 147-2019 “Flexible Elastomeric Mechanical Fittings for use with Plain End Drain, Waste, and Vent (DWV) and Plain End Sewer (Tubular Waste) Pipe”
- **(c)** IAPMO IGC 181-2019 “Combination Fill Valve and Hydraulic Actuated Flush Valve for Gravity Type Water Closets”
- **(d)** IAPMO IGC 189-2019e1 “Internal Pipe Epoxy Barrier Coating Material for Application in Pressurized (closed) Water Piping Systems”
- **(e)** IAPMO IGC 201-2018e1 Polyethylene Sleeved-Corrugated Stainless-Steel Tubing for use in Fuel Gas Piping Systems
- **(g)** IAPMO IGC 219-2019 “Vertical Leaching Systems”
- **(i)** IAPMO IGC 302-2019 “Potable Water Hygiene Systems”

**First Adoption of Standards:**

The following standards were adopted for the first time for product listing:

**Posted for 20-Day Public Review:**

The following new or revised IAPMO Industry Standards were posted on the website for 20-Day Public Review (Webpage Link: [20 Day Public Review](#)).

<table>

</tbody>
</table>
Reinstatement of IAPMO Standards
The following standards were reinstated:
None

Withdrawn Standards
The following standards were discussed for withdrawal:
(a) 2008 edition of IAPMO IGC 258 “Low Flow Laundry Faucet”
(b) 1995 edition of IAPMO PS 82 “Fiberglass (Glass Fiber Reinforced Thermosetting Resin) Fittings”
(c) 1995 edition of IAPMO PS 89 “Soaking and Hydrotherapy (Whirlpool) Bathtubs with Hydraulic Seatlift”
(d) 1996 edition of IAPMO PS 98 “Prefabricated Fiberglass Church Baptisteries”
(e) 1996 edition of IAPMO PS 100 “Porous Filter Protector for Sub-Drain Weep Holes”
(f) 1997 edition of IAPMO PS 105 “Polyethylene Distribution Boxes”
(g) 2010 edition of IAPMO PS 113 “Hydraulically Powered Household Food Waste Disposers”
(h) 1999 edition of IAPMO PS 114 “Remote Floor Box Industrial Water Supply, Air Supply, Drainage”
(i) 1999 edition of IAPMO PS 116 “Hot Water Circulating Devices Which Do Not Use a Pump”

Additional Updates:
None

If you have any questions or comments regarding the information in this notice, or if you would like to be added or removed from the contacts list for receipt of this monthly update, send a message to the general standards email address (standards@iapmostandards.org), or call me at the number below.

Best Regards,

Angela Juarez
